

Pembridge™ Decorative Glass
for Fiber-Classic®, Smooth-Star®, Profiles™, Traditions & Pulse® Doors

THERMA TRU®
DOORS

2-Minute Tru-Facts | Pembridge™

•

Traditional meets modern.

Add simple sophistication to the entryway. Pembridge™ glass puts a modern twist on a traditional look, with a central diamond shape that complements many architectural styles.

Available March 5, 2018

Tru-Advantages

Market-driven, consumer-tested design.

- Adaptable, versatile design capitalizes on the trend toward blending elements of the old and the new, and delivers visual texture.
- Offers broad appeal at an affordable price point, adding a new glass design to the interchangeable glass options within the Fiber-Classic®, Smooth-Star®, Profiles™ and Traditions product lines; also available in Pulse® doors and sidelites.
- With an option for classic black nickel, industrial brushed nickel or warm brass caming, Pembridge provides choices and styles homeowners desire.

Aimed at creating sales opportunities.

- Depending upon product configuration, this versatile design can blend easily with any home style, from Traditional to Modern. A 1/2-lite or oval creates a more traditional feel, while a Pulse configuration offers a modern look.
- Welcome more natural light into the home, or offer greater privacy, with a broad array of glass shapes and sizes.
- Available in 6'6", 6'8", 7'0" and 8'0" doors and sidelites, as well as transoms, to fit a wide range of openings.
- Wood-grained and smooth doors and sidelites can be stained or painted to express personal style with color.

Therma-Tru® glass quality you can trust.

- The Therma-Tru® full-system offering delivers on decades of experience and know-how in door systems and glass.
- Included in our full-system lifetime limited warranty for peace of mind during and after installation.
- Triple-pane glass construction helps reduce outside noise, increase energy efficiency and provides a smooth surface that is easy to clean.

Available Door Collections

Fiber-Classic, Mahogany & Oak | Smooth-Star | Profiles™ | Traditions | Pulse.

WBDR / HVHZ Options**

*Included in the limited warranty when installed in a Therma-Tru fiberglass or steel door system.

**Must be installed as part of a Therma-Tru door system in compliance with a Therma-Tru product approval. Not impact tested for use in multi-lite door style configurations.

Note: Glass privacy ratings may be more or less than indicated, based on glass design and size of glass. Glass design may differ from depiction due to size and hand craftsmanship of glass. See your Therma-Tru seller or visit www.thermatru.com for details on glass privacy ratings and designs, available product sizes and options, limited warranties and exclusions, and ENERGY STAR qualified products.
