

Always Make a Great Entrance

CCV932 with CCV912SL sidelites and VGRT transom - Villager™ glass

... With the Classic-Craft® Canvas Collection™

Classic-Craft® Canvas Collection™ doors feature a smooth, paintable surface with all the legendary beauty and durability you expect from Classic-Craft®. A truly different door that delivers all the performance of fiberglass with crisp embossment details comparable to custom wood. Create the perfect entryway for any home with a variety of decorative and new privacy glass options, as well as standard clear Low-E glass for improved energy efficiency.
