Fiber-Classic® Patio Doors

Builder Spot  
Length: 60 sec

**Announcer:**

“Builders and remodelers know, wood patio doors can come with lots of problems. That’s why (name of builder) installs Fiber-Classic Patio Door Systems, from Therma-Tru. They’re ideal for remodeling or new construction. Smooth-Star doors offer distinctive details, sleek styling and look of real wood.

They combine the rich texture of natural wood with the durability of fiberglass. So they won’t warp, crack or rot, like wood. The exteriors are factory-finished in a choice of four colors: White, Almond, Stone or Bronze for years of beauty. And the interiors can be stained or painted, just like wood, to complement your home’s décor.

Fiber-Classic patio doors are built with standards like flush glazed Low-E glass, High-Heat Composite frames and a proprietary adjustable security strike plate that can withstand three times the force of standard strike plates. And options like multi-point locking systems, adjustable hinges and profiled internal grids. All backed by a Therma-Tru limited lifetime warranty.

Builders and remodelers also know Therma-Tru entry doors are the most preferred brand in the business. You should know Therma-Tru brings that same commitment to its patio doors. Go see the beautiful homes of (name of builder) today and see why.
