

## Therma-Tru launches new door surrounds

[MAUMEE, OHIO, Jan. 7, 2019 –] New door surrounds from Therma-Tru Corp. allow homeowners to add a beautiful, finished look to their entryway.

Door surrounds add an element of style to Therma-Tru's complete door system, and help tie the entryway in with the rest of the home's architectural details, creating a cohesive look with enhanced curb appeal.

"Our new door surrounds provide added style for a home's entryway, and offer additional customization options for homeowners," said Donna Contat, director of product management at Therma-Tru Corp.

Featuring a hand-selected assortment chosen to complement virtually any door or home style, Therma-Tru door surrounds provide an on-trend look for both exterior and interior applications.

Therma-Tru door surrounds are available in a variety of versatile options suitable for any home style from Traditional to Modern. They come primed and can be painted or stained to complement a home's architectural details.

All door surrounds come ready to install, and parts can be easily trimmed to exact measurements in the field. The durable polyurethane construction is low maintenance and delivers long-lasting performance. Just like Therma-Tru's complete door system, door surrounds are backed by the industry's most comprehensive lifetime limited warranty.

Therma-Tru door surrounds will be available to order starting March 4, 2019.
