

## Therma-Tru launches 2018 “Unlock the Opportunities” sweepstakes

**UNLOCK THE OPPORTUNITIES**

MAUMEE, OHIO – Therma-Tru® Doors has launched its annual “Unlock the Opportunities” national sweepstakes for building trade professionals to learn about Expressions 2018 new products and home design trends.

The program features daily and weekly prizes for builders, remodelers, dealers, distributors and fabricators who complete online learning modules. Unlock the Opportunities helps building professionals stay up-to-date on the latest trends and Therma-Tru’s new products to better facilitate conversations with homeowners.

“A robust on-trend product offering and new product training can help building professionals lead more meaningful and productive conversations with homeowners,” said Mark Ayers, vice president of marketing at Therma-Tru Corp. “The interactive learning modules provide an opportunity to learn about Therma-Tru’s newest products and earn prizes in the process.”

The program begins by showing participants a list of available learning modules for each new product. The participant selects the new product they would like to learn about, and is presented with an interactive module tailored to the new product, followed by a 10 question quiz. Upon completion they will be eligible for prizes based on their quiz score.

Participants who answer seven or more questions correctly will be entered for a chance to win weekly and daily prizes. Each day of the promotion, three participants will win their choice of a Man Crate, Birchbox or Bean Box Coffee Sampler prize. Each week, one participant will win their choice of a 55-inch TV, Traeger Renegade Wood Pellet Grill or YETI® cooler.

All participants who earn a score of 90 percent or higher on all learning module quizzes will receive their choice of a Therma-Tru travel mug, hat or T-shirt.
