

PRISMA GUARD™

Finish Inspiration

Lasting beauty backed
by a 10-year
limited warranty.

PrismaGuard™ Finish for Lasting Beauty

With an inspirational palette of stain colors, PrismaGuard finish allows you to express your unique style while complementing your home's overall look. A high-end, low-maintenance finish protects your door from everyday wear and tear and is designed for optimal performance with Therma-Tru® fiberglass doors.

Backed by a 10-Year Limited Warranty

Low-maintenance PrismaGuard finish preserves your door's lasting beauty and protects against normal wear and tear, saving you time and money. A durable coating protects your door from the elements, preserving its color for years to come and is backed by a 10-year limited finish warranty for your peace of mind.

Care & Maintenance

Preserve the beauty of your door's finish.

How do I clean the door?

Use a soft towel, warm water and mild soap.

How do I repair a scratch?

For minor scrapes and scratches, your dealer may offer a touch-up kit designed to coordinate with the finish color.

How often do I need to reapply topcoat?

Exterior finishes can be affected by exposure to sun, weathering, moisture and air pollutants. It is recommended to reapply a topcoat every 3–5 years or once you see a decrease in gloss. Apply a high-quality, low-gloss exterior-grade urethane clear coat without ethylbenzene to the surface.

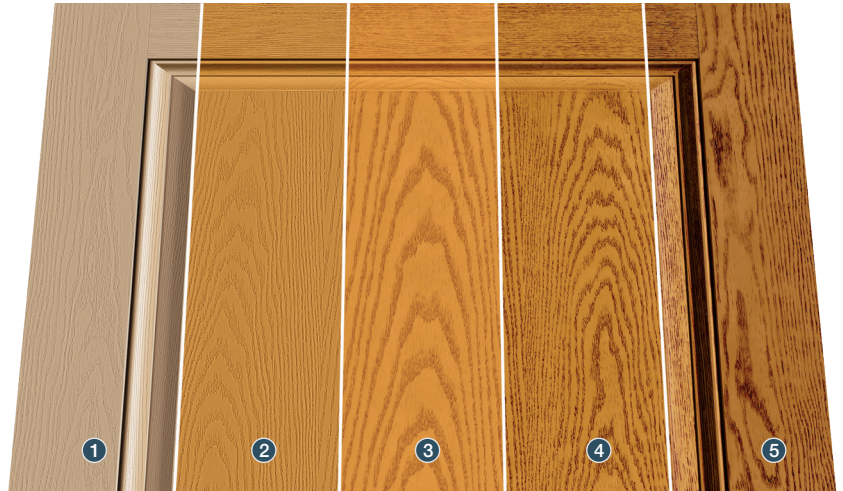

Express your unique style.

Handcrafted and perfected by professionals, a PrismaGuard finish is built to last, just like the Therma-Tru doors it was designed for.

PrismaGuard™ Stain

Brings the authentic look of wood to life with rich tones that add dimension to enhance wood grain doors.

- 1 It starts with the realistic wood grains and deep embossments of a Therma-Tru® door.
- 2 A base coat provides an even, consistent color across the surface of the door.
- 3 A wiping stain enhances the base coat to reflect the natural beauty of wood.
- 4 A durable topcoat enhances the color while protecting against scratches and color fading.
- 5 A second application of the topcoat provides added durability.

Classic-Craft Oak Collection, Homeward Glass, Door – CC9925, Sidelites – CC9925SL, Transom – HWRT, PrismaGuard Stain – Driftwood

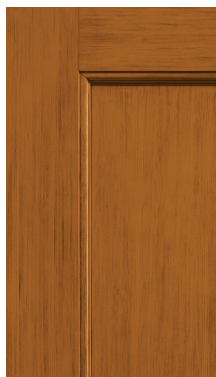

Fiber-Classic Oak Collection, Satin Etch Glass, Door – FC5720XE, PrismaGuard Stain – Raven

Note: Finish colors may vary from an actual application due to fluctuations in finishing or printing. See your Therma-Tru seller for details on the PrismaGuard warranty and exclusions.
