

# CERTIFIED DOOR SYSTEM INSTALLER PROGRAM

## Get certified to be seen.

Train now to earn free tools to help your business get noticed online.

Home begins at the door.

Call Us Today: (419) 476-7811

#### Curb Appeal

Presented with an interior by the exterior, your door is the first thing your guests see. Make a statement with a door that's as beautiful as the interior.

#### Classic Craft

For the right door, the fit is essential to the performance and appearance. Choose the product that's right for your door.

#### Design Your Door

Therma-Tru's Design Your Door tool allows you to create a custom door that fits your style and your home.

#### About Us

Overhead Pro is your destination for all things Thermo-Tru. Our award-winning design tool provides you with the best Thermo-Tru products for your business. We're committed to helping you succeed. Call us today to learn more about our products and services. Discover an unparalleled door performance and customer service experience and your sense of style at Overhead Pro. All from the comfort of your home.

Installer / Dealer Microsite

## Train Hard. Get Results. Be Seen.

### Dealer Installer & Independent Installer Challenge

We want to help installers like you take your door system installation training to the next level. Now is the time to become a Therma-Tru Certified Door System Installer. Accept the challenge today to build your knowledge, skills and confidence – and earn an opportunity to be seen by more potential customers.

### Earn these incentives to promote your business online when you complete training:

#### FREE Therma-Tru. Microsite 6-Month Subscription\*

Receive a Therma-Tru installer / dealer microsite customized for your business at no charge from February – July 2020.

#### NEW Therma-Tru. Certified Installer Locator Listing

Opt in to have your business listed on the NEW Certified Installer Locator coming to Therma-Tru's website in 2020.

Go to [thermatru.com/installer](http://thermatru.com/installer) for training, and register as a Dealer Installer or Independent Installer to be eligible for incentives.

Already registered? Just complete the training program by December 31.

Complete training now through **December 31, 2019**, to be eligible for incentives.

\*The installer / dealer microsite is a co-branded site that connects our website with yours and can help more qualified leads find you online. There is an annual cost of \$300 if you choose to maintain the microsite after the free 6-month subscription ends.
