

Internal Blinds New 47" Glass Options

Now available in 47" glass size options for doors and sidelites, internal blinds provide the privacy and convenience of a cordless blind enclosed between glass. Control the desired level of light and privacy with the simplicity of a single handle.

Tru-Advantages

- **Meets market demand for internal blinds in 47" glass size.**
 - Creates the popular 3/4-lite door style in 6'8" doors and sidelites and the 1/2-lite door style in 8'0" doors and sidelites.
 - Adds to the portfolio of internal blinds by offering full-, 3/4- and 1/2-lite sizes.
- **Versatile product for broad appeal.**
 - Available in both wood-grained, stainable and smooth, paintable doors and sidelites.
 - Choose from clear or Low-E glass to optimize energy efficiency.
- **Included in the Therma-Tru. fiberglass door system lifetime limited warranty.**

Available February 6, 2017

Portfolio Versatility

The addition of 47" glass size options enhances the portfolio of internal blinds by offering full-, 3/4- and 1/2-lite sizes for 6'8" and 8'0" doors and sidelites. Pair two 6'8" doors with 3/4-lite internal blinds for a patio entrance that offers views of the backyard or total privacy, or use an 8'0" door with 1/2-lite internal blinds as a utility door providing natural light or total privacy on the side or back of the home.
