

New Shaker-Style Doors & Sidelites for Smooth-Star®

THERMA TRU
DOORS

A transitional update to the historic Shaker style, new Smooth-Star. Shaker-style doors and sidelites deliver a simple design with broad appeal. Ideal for homes that take design cues from Farmhouse, Prairie and Modern architectural elements, Shaker-style doors and sidelites bridge the gap between yesterday's styles and today's trends.

Available March 6, 2017

Top: Smooth-Star, Low-E Glass with SDLs, Door – S4814,
Sidelites – S4812SL

Available Door & Sidelite Styles

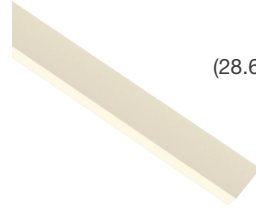

Craftsman-Lite 2-Panel Shaker Flush-Glazed Door & Craftsman-Lite Shaker Flush-Glazed Sidelite 2-Panel Craftsman Shaker

Tru-Advantages

- **Simple design with broad appeal.**
 - Features Shaker-style recessed panels and flush-glazed glass for a larger daylight opening.
 - Complements a wide range of decorative and architectural elements inside and out.
 - Pairs especially well with homes that take design cues from Farmhouse, Prairie and Modern architectural elements.
- **Create customized looks with versatile glass options.**
 - Privacy and textured glass adds a simplistic yet decorative element to the entry.
 - New simulated divided lites (SDLs) feature a flat profile to complement the design of Shaker-style doors and sidelites, and coordinate with window grid patterns on the home.*
- **Aimed at expanding sales opportunities.**
 - Fits more openings with 31 new door styles in both 6'8" and 8'0" heights.
 - The Craftsman-lite 2-panel Shaker flush-glazed door is ideal for front entry, side and back doors while the 2-panel Craftsman Shaker door is ideal for utility door applications.
 - Pairs with 6'8" and 8'0" Craftsman-lite Shaker flush-glazed sidelites. Also complements full-lite flush-glazed sidelites in both 6'8" and 8'0" heights.**

NEW Flat-Profile SDL Bar*

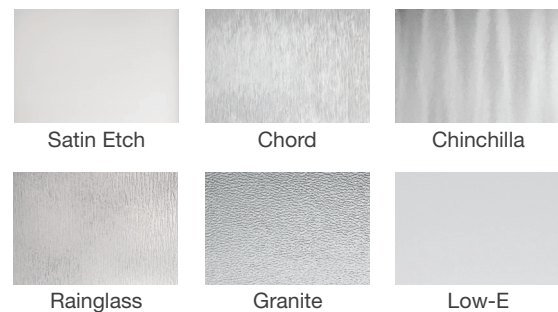

(28.6 mm / 1.125 in.)
