Tru-Advantages

■ Market-driven, consumer-tested design.

- Capitalizes on marketplace trends toward more simplistic, linear wrought iron designs.
- Designed to attract homeowners who want a wrought iron glass design that offers smaller sizes and more versatility.
- Introduces wrought iron in the popular 21" x 15" glass size.
- Balances the wrought iron decorative glass portfolio for broader appeal, as Riserva offers a more linear aesthetic that contrasts the soft curves and rounded design of Salinas. glass.

■ Aimed at creating sales opportunities.

- Expands the heart-of-market decorative glass portfolio with a versatile wrought iron design that enhances a wide variety of home styles, including Mediterranean, Old World and Southwest.
- Meets customer demand for an affordable wrought iron glass design.
- Complements both wood-grained, stainable and smooth, paintable doors for broad appeal.
- Available in 6'8", 7'0" and 8'0" door heights.

■ Therma-Tru. glass quality you can trust.

- The Therma-Tru full-system offering delivers on decades of experience and know-how in door systems and glass.
- Included in our full-system limited warranty for peace of mind during and after installation.
