Classic-Craft[®] American Style Collection[™]

- The American Style Collection captures the honesty of Craftsman styling with its simple design and the symmetry of Shaker-style recessed panels.
- The tight, vertical Douglas Fir grain – prized for its beauty and quality – complements the use of natural materials seen in Arts and Crafts-style homes.
- The glass in the door, available in decorative designs and divided lites, adds signature style. Complete the look with a dentil shelf for true Craftsman appeal.

Classic-Craft[®] Rustic Collection[™]

- The Rustic Collection delivers on the rich history of its design roots with styling inspired by regional influences from the lively Southwest to the ornate European.
- Rustic wood grains with a casually elegant pattern feel authentic when blended with the organic textures and natural warmth typical of these home styles.
- Coordinate with the look of wrought iron glass designs and hand-forged accessories, such as strap hinges, for a finishing touch of rustic flavor.
