## Tru-Advantages

### ■ Market-driven design to win more business.

- Offer a high-performance, low-maintenance alternative to wood doors to capitalize on the growing trend toward taller doors, wider openings and premium upgrades in new homes.
- Target the new construction market with nearly 20 new door styles now available in the popular Rustic Collection™ to meet demand for 3'0" x 8'0" and 3'6" x 8'0" doors with glass.
- Help grow sales of the high-margin Classic-Craft® product line with new 3'0" x 8'0" and 3'6" x 8'0" door and glass options to complete the upsell opportunity in builder continuums.

### ■ Aimed at creating sales opportunities.

- Offer an on-trend, architecturally correct design that seamlessly blends Southwest and European styling with casually elegant rustic wood grains to evoke Old World charm.
- Complement the architectural details and grand scale of the offering with select glass designs chosen to coordinate with 3'0" x 8'0" and 3'6" x 8'0" Rustic doors.
- Offer decorative hardware to complement architectural elements around the house with strap hinges in a hand-forged wrought iron look for a finishing touch of rustic flavor.

### ■ True Classic-Craft – extraordinary in every detail.

- Create a more premium entryway thanks to architecturally correct designs with up to 25% wider panels\*\*, deeper embossments and solid hardwood square edges.
- Welcome more light into the home and create a distinctive entryway with more than 10% wider glass\*\*, featuring fiberglass or wrought iron lite frames and flush-glazed sidelites.
- Replicate the feel and integrity of custom wood doors with precision-engineered features, including 20% heavier construction\*\*, top and bottom composite rails, and thicker fiberglass skins.

Tru-Defense Eligible WBDR / HVHZ Options\*\*\*

\*Available in 3'0" x 8'0" doors only.

\*\*Compared to other standard fiberglass doors.
