Tru-Advantages

■ Market-driven, consumer-tested design.

- Versatile glass texture can be paired with select door collections to deliver a pure, simple design aesthetic.
- Offers ultimate privacy and a soft, translucent look with an on-trend appeal that can command higher margins.
- Also available in a flush-glazed application that offers up to a 16% wider daylight opening than conventional lite frames.

■ Aimed at creating sales opportunities.

- A fine-textured pearlescent glass that is fitting for Modern and Contemporary home styles.
- Creates a more traditional look with a scrolled profile lite frame, or a modern aesthetic when paired with a Pulse® door and a flat profile lite frame.
- Complements both wood-grained, stainable and smooth, paintable doors for broad appeal.
- Available in 6'8", 7'0" and 8'0" heights.

■ Therma-Tru® glass quality you can trust.

- The Therma-Tru full-system offering delivers on decades of experience and know-how in door systems and glass.
- Included in our full-system lifetime limited warranty for peace of mind during and after installation.
- Triple-pane construction for added energy efficiency and a smooth, easy-to-clean surface.
