

# The Entrance as Modern Art

## **NEW** Lite Frame Options

The Pulse® series of on-trend contemporary doors and glass now includes lite frame options to create both modern and vintage looks that align to individual tastes and home styles.

A lite frame perfect for a contemporary door.

Clean lines and sleek designs.

That's Pulse. Make a bold statement with modern appeal by pairing a Pulse door and glass design with the new flat profile lite frame.

- Pair with Axis™ decorative glass to maximize modern curb appeal.
- Choose from five simply beautiful privacy and textured glass options.
- Also available in Low-E glass.

### **Vintage style.**

The soft lines of the scrolled profile lite frame add an element to Pulse doors that turns back the clock to the 1950s, 60s and 70s.

### **Modern appeal.**

The sleek designs and modern materials of Pulse doors are further enhanced by the clean, contemporary look of the new flat profile lite frame from Therma-Tru.

# It's your decision, by design.

Pulse is geometry with energy. Designed to be fun and easy to mix and match. You can create a modern entrance without missing a beat.
