

Flush-Glazed Privacy & Textured Glass for Fiber-Classic[®] Oak Collection[™] & Smooth-Star[®] Doors

Flush-glazed privacy and textured glass brings together the functionality of privacy glass and the aesthetics of textured glass with all the benefits of flush-glazed construction. Enjoy clean lines and a seamless appearance with no need for a lite frame.

Product Highlights

- Delivers factory-built, seamless construction with glass built directly into the door for long-term strength, durability and performance.
- Sleek, simple profile around glass makes it easy to clean with fewer places for dirt and dust to hide.
- Offers up to a 16% wider daylight opening than conventional lite frames.
- Now available in a wide selection of privacy and textured glass options, in addition to clear glass.
- Complements both wood-grained, stainable and smooth, paintable doors.
- Triple-pane construction delivers increased energy efficiency and a smooth, easy to clean surface.
- Backed by a full-system lifetime limited warranty.

Note: See your Therma-Tru seller or visit www.thermatru.com for details on available product sizes and options, limited warranties and exclusions, and ENERGY STAR qualified products.
