

Pulse[®]

New Lite Frame Options

With Pulse, it's your decision, by design. This contemporary series of door styles and glass designs now includes your choice of lite frame. Select the new flat profile lite frame to deliver modern appeal or the scrolled profile lite frame to evoke vintage style. Designed to be fun and easy to mix and match, Pulse offers choices to align with your individual home style and taste, allowing you to create a modern entrance without missing a beat.

Product Highlights

- Flat lite frame delivers a clean, contemporary look and pairs with select glass designs to deliver a pure, simple aesthetic. Pair with Axis™ decorative glass to maximize modern curb appeal.
- Scrolled lite frame features soft lines that add an eclectic, vintage element to Pulse doors and sidelites.
- Pulse features sleek flush door and sidelite styles that are ready to stain or paint any color. There's no limit to the creativity.
- ENERGY STAR® qualified options for exceptional energy efficiency.
- Backed by a full-system limited warranty.
- Impact-rated options available for scrolled profile lite frame.*

*Must be installed as part of a Therma-Tru door system in compliance with a Therma-Tru product approval. Not impact tested for use in multi-lite door style configurations.

Note: See your Therma-Tru seller or visit www.thermatru.com for details on available product sizes and options, limited warranties and exclusions, and ENERGY STAR qualified products.
