Therma-Tru Launches 1-800 Builder Support Line

MAUMEE, OHIO – Therma-Tru has launched another tool to support building professionals, providing a new, dedicated technical assistance line for live answers to installation, warranty and product questions.

The toll-free number is 1-800-4BUILDR (1-800-428-4537).

The line will be staffed by knowledgeable, trained Therma-Tru staff Monday-Friday, 8:30 a.m. to 5 p.m. EST, to assist with installation assistance, product and technical information, warranty support and to provide more information about Therma-Tru® products. For questions that cannot be answered immediately, the company will generally respond within 24 hours.

“We want our building professionals to have all the support they need when selling and installing Therma-Tru products, so this new phone line is just one more way to get them assistance and information quickly, whenever they need it,” said Verena Sharp, senior marketing specialist at [Therma-Tru Corp.](#)

As the go-to for fiberglass entry doors among small, medium and custom homebuilders, Therma-Tru continues to expand the resources it offers builders, including marketing and product support like customizable builder sell sheet templates and continually updated showroom displays and materials.

At the 2016 International Builders’ Show, the company will display its interactive glass display and expandable pullout door display, among other showroom tools aimed at helping building professionals demonstrate and sell products.

In addition, the company will launch its annual Unlock the Opportunities promotion for builders, remodelers, dealers and fabricators at the show Jan. 19. Unlock the Opportunities encourages the trade to learn about Therma-Tru’s new products in an engaging way, providing builders with the knowledge to confidently represent these products to home buyers and opportunities to earn prizes. The promotion will run Jan. 19 through April 30, 2016 and can be accessed at <http://www.unlocktheopportunities.com>.
